

**REMARKS**

In response to the Notice of Drawing Inconsistency with Specification mailed November 2, 2006, Applicants understand that the inconsistency may be corrected by adjusting either the drawings or the specification.

Therefore, the above amendment to the specification provides consistency between the drawings filed October 20, 2006 and the specification.

No new matter has been introduced, and entry of the amendment is respectfully requested.

If a telephone conference would expedite prosecution of this application, please telephone the undersigned at 858-350-6151.

Respectfully submitted,
